The Board of Trustees, Zama Trust Islamabad.  
October 19, 2021

**HAFIZ ASIM & Co.**  
Chartered Accountants

**AUDIT OF FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2021**

Dear Sirs,

We have completed the audit of your Trust's financial statements for the above referred year and are pleased to enclose herewith two copies of the draft financial statements together with our draft audit report thereon duly initialed by us for identification purposes. We shall be pleased to sign our report in its present or amended form after the financial statements are approved by the Board of Trustees and signed on their behalf by at least two Trustees and on receipt/review of the following:

a) Letter of representation addressed to us on behalf of the Board of Trustees and signed by the trustees as per draft provided by us.

Our comments and observations on this set of financial statements are as follows:

**1. RESPONSIBILITIES OF THE MANAGEMENT AND AUDITORS IN RELATION TO THE FINANCIAL STATEMENTS**

The responsibilities of the independent auditors in a usual examination of financial statements are stipulated in International Standards on Auditing. While the auditors are responsible for forming and expressing their opinion on the financial statements, the responsibility for preparation of such statements is primarily that of the Trust's management.

The management's responsibilities include the maintenance of adequate accounting records and internal controls, the selection and application of accounting policies, safeguarding of the assets of the Trust and prevention and detection of frauds and irregularities. The audit of financial statements does not relieve the management of its responsibilities.

**2. OPERATING FIXED ASSETS**

2.1. We have observed that fixed assets register has not been maintained as per requirements of technical release of Institute of Chartered Accountants of Pakistan. This is an important record as it enables the management in providing itemized control over the fixed assets. We recommend that comprehensive fixed asset register should be maintained to ensure that all fixed assets are accountable, physically traceable and duly reconciled with general ledger and coded to facilitate physical verification.

2.2. We have observed that the Trust does not have a proper capitalization policy duly approved by the Board of Trustees (BOT) of the Foundation. In the absence of a proper capitalization policy there is a risk that certain material items of the assets may not be capitalized which may result in the distortion of the operating results of the Foundation. We recommend that proper capitalization policy should be formulated by the BOT in order to bring consistency in accounting for capital and revenue expenditure.

**3. ACCOUNTING RECORDS**

We have observed that the trust does not maintain any proper accounting records. The lack of such records might result in improper recording. Furthermore, there were no dedicated person/persons to

Head Office:  
Office # 6, 1st Floor Ahmed Center Main  
PWD Double Road, NPF sector O-9, Islamabad

Branch Office:  
United Law Chambers, Office # 2, 2nd Floor,  
2/3, Risala Bazar, 38 Lake Road, Old Anar Kali, Lahore

info@hafizassociates.com, www.hafizassociates.com Ph. 051-8772981, 8772991

**HACO** maintain such records and the majority of the people dealing with the records of the trust belonged to other companies of the group. We recommend that a proper accounting department be established and qualified and competent people be hired who could set the books and records in order and record properly, timely and completely the accounting matters of the trust.

#### 4. MEETINGS

As per clause 10 of the trust deed, the board of trustees must meet at least 3 times every year. We have noticed that no such meetings were held during the year. We recommend that proper and timely meetings of the board of trustees should be held in accordance with the trust deed.

#### 5. UNAUDITED ACCOUNTS

As per clause 16 of the trust deed, accounts of the trust must be audited annually by a chartered accountant firm; however no audit was carried out since 2003.

#### 6. PAYMENTS IN CASH

As per trust deed, all payments should be made via banking channel and no cash transaction will be allowed.

#### 7. AMOUNT BEING KEPT IN CURRENT ACCOUNT

We have observed that an amount of Rs. 1,911,111 was kept in Bank of Khyber for the year ending June 30, 2021. The account in Bank of Khyber is a current account and keeping in view that the primary source of income for the trust is interest income, we recommend that this amount should be transferred to an interest bearing account.

#### 8. INCOME TAX EXEMPTION

We have observed that the trust has not obtained exemption from the relevant tax authority in accordance with the provision of Income Tax Ordinance, 2001 and tax has been withheld by banks on its income. The management is of the view that the trust is eligible to claim credit U/S 100C after complying with the necessary requirements however as per Finance Act 2021, commissioner's approval will be required every year for claiming credit U/S 100C from July 2021 onward. We recommend that the trust should obtain full exemption U/S 2(36) of ITO 2001. Furthermore, we have observed that the trust has not filed its tax returns during the previous years. Due to this, the "Tax deducted at source" being shown as asset cannot be claimed until tax returns are duly filed. We recommend that the trust should file its returns timely.

#### 9. RATE OF DEPRICIATION

We have observed that the trust is depreciating its vehicles on reducing balance method at 10% however the normal practice is to charge depreciation on vehicles at 15%.

#### 10. INVESTMENT

We have observed that the trust had invested an amount of Rs. 19 million in "Innovative Investment Bank Limited" which had dissolved in 2013. The management has confirmed that total amount was recovered and reflected in bank statement of trust.

# HAFIZ ASIM & Co.

Chartered Accountants

We further recommend that, keeping in view that the overall purpose of the trust is the betterment of society, the management should be much more vigilant in investing the funds of the trust and should carry out due diligence before making any investment.

## 11. RELATED PARTY TRANSACTIONS

We have been informed by the management that there are no transactions with the related parties, other than those disclosed in the notes to the financial statements.

## 12. COMPLIANCE WITH STATUTORY LAWS AND REGULATIONS

We have been informed by the management that there were no instances of non-compliance with statutory laws and regulations, other than reported above that would have financial impact. Kindly confirm the management representation.

## 13. CONTINGENCY AND COMMITMENTS

We have been informed by the management that there are no other contingencies and commitments as on the date of the financial statements. Kindly confirm the management representations.

## 14. FRAUD AND ERROR

We have been informed by the management that there was no case of fraud and error that has been brought to their knowledge during the period. Kindly confirm the representations made by the management.

We wish to place on record our appreciation for the courtesy and cooperation extended to us during course of our audit.

Yours faithfully,  
*HAFIZ ASIM & CO.*

**INDEPENDENT AUDITORS REPORT TO THE BOARD OF TRUSTEES**

**HACO**

**Opinion**

We have audited the financial statements of Zami' Trust, which comprise the statement of financial position as at June 30, 2021, and the statement of income and expenditure, the statement of changes in fund, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Trust as at June. 30, 2021, and its financial performance and its cash flows for the year then ended in accordance with approved accounting and reporting standards as applicable in Pakistan.

**Basis for Opinion**

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditors Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The management is responsible for the preparation and fair presentation of the financial statements in accordance with the approved accounting and reporting standards, and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

**Auditors Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting

# HAFIZ ASIM & Co.

Chartered Accountants

a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**ZAMA TRUST**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2021**

---

**1 NATURE AND STATUS**

**ZAMA Trust** is a charitable trust and non-profit organization registered under the Trust Act 1882 on March, 13, 2002. The main objective of the Trust are:-

- To construct, purchase and establish help & assist training institutions, schools, colleges, educational institutions, polytechnics and / or industrial or poor house.
- To offer assistance, scholarships and stipends, prizes or awards to students.
- To promote or establish research facilities and help and assist research scholars in any academic or applied field.
- To receive and procure help assistance donations and aid from other persons, locals or international institutions charitable organization, trust and government and to coordinate, cooperate and participate with them and undertake any scheme or project for implementation of any of the objects and purposes of the Trust.
- To promote, patronize, undertake such other charitable causes and purposes as the board of trustee may deem fit from time to time.
- To promote, encourage, assist, patronize and finance women development, social welfare and education throughout Pakistan and to aid the poor the needy regardless of their sex, religion, caste or color.
- The registered office of ZAMA Trust is situated at 2nd Floor, Kings Aree Plaza, F-7 Markaz, Islamabad.

**2 ACCOUNTING CONVENTIONS**

**2.1 STATEMENT OF COMPLIANCE**

These financial statement have been prepared in accordance with accounting and financial reporting standards for small sized entities as applicable in Pakistan. Approved accounting and reporting standards comprise of:

- Accounting Statndard for Not for Profit Organizations (NPOs) issued by the Institute of Chartered Accountants of Pakistan.
- Revised Accounting and Financial Reporting Statndards for Small-Sized Entities (AFRS for SMEs), 2015.

**2.2 Basis of Measurement**

These financial stataements have been prepared under historical cost convention using accrual basis of accounting.

**3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following accounting policies have been applied consistently in dealing with item which we considered material to the Trust's Financial Statements.

**3.1 Property and Equipment**

Operating assets, except of freeold land are stated at cost less accumulated depreciation less impairment loss, if any. Freehold land is stated at cost less impairment loss, if any.

Depreciation is charged on assets on reducing balance method using rates specified in note 4. Depreciation on additions is charged from the month in which it is acquired to the month prior to disposal.

Maintenance costs and normal repairs are charged to income and expenditure account as and when incurred. Major renewals and improvements are capitalized when it is probable that respective future economic benefits will flow to the Trust and the cost of the item can be measured reliably.

Gain or loss on fixed assets disposed off during the year is charged to the statement of income and expenditure. Major improvements and renewals are capitalized.

**3.2 Capital Work in Progress**

Capital work in progress is stated at cost less impairment including whre appropriated, related borrowing costs, if any. These costs are transferred to fixed assets as and when assets are available for use.

### **3.3 Impairment**

The Foundation assesses at each balance sheet date whether there is any indication that assets may be impaired. If any such indication exists, the carrying amounts of such assets are reviewed to assess whether they are recorded in excess of their recoverable amount. Where carrying value exceeds the recoverable amount, assets are written down to the recoverable amount and the difference is charged to Income and Expenditure Account.

### **3.4 Investments**

The entity initially measures its financial assets and financial liabilities at fair value, except for certain non-arm's length transactions.

The entity subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments. Investments in equity instruments that are quoted in an active market shall be measured at fair value and investments in equity instruments that do not have active market shall be carried at cost less impairment, if any. Changes in fair value are recognized in statement of Income and Expenditure.

### **3.5 Cash and Cash Equivalents**

Cash and cash equivalents comprise bank balances.

### **3.6 Donations and Grants**

Donations are recognized in the Income and expenditure account at the time of receipt. Donations in kind are recognized at fair market value as and when these are received.

Grants are recognized, including non-monetary grants at fair value, on receipt basis and when there is reasonable assurance that the Foundation will be able to comply with the conditions attaching to them. Grants receivable as compensation for expenses or losses already incurred or for the purpose of financial support with no future related costs are recognized as income for the period in which it recognized on a systematic basis over the useful life of the asset.

### **3.7 Foreign Currency Transactions**

Transactions in foreign currencies are converted into Pak Rupees at the rates of exchange prevailing on the dates of transactions. Assets and liabilities in foreign currencies are translated into Pak Rupees at the rates of exchange prevailing at the balance sheet date. Exchange gains and losses are included in the income and expenditure account.

### **3.8 Trade and Other Payables**

Trade and other payables are recognized initially at fair value plus directly attributable cost, if any, and subsequently measured at amortized cost.

### **3.9 General Fund**

Contributions made by the members of the Foundation and donors, without any specific purpose or activity, are classified as unrestricted general funds. Accordingly, any income generated at expenses incurred with respect to normal operations of the Foundation, which are not related to Specific funds / activities, are charged to statement of income and expenditure.

### **3.10 Restricted Fund**

Restricted donors' Fund / grant received for specific purpose are classified as restricted funds. Expenses incurred out of restricted funds are reflected in the statement of financial activities, with equal amount being recognized and reflected as funds utilized.

### **3.11 Contingencies**

A contingent liability is disclosed when the Trust has a possible obligation as a result of past events, existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Trust; or the Trust has a present legal or constructive obligation that arises from past events, but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligations, or the amount of the obligation cannot be measured with sufficient reliability.

### 3.12

#### Income

Income is recognized to the extent it is probable that the economic benefits will flow to the Foundation and the income can be measured reliably. Income is measured at the fair value of the consideration received or receivable and is recognized on the following basis:

Donations related to specific projects are deferred and recognized as income on a systematic basis to match them with the related costs that they are intended to compensate.

Donations related to operating fixed assets received are recognized as deferred capital grant and amortized over the useful lives of assets from the date the asset is available for intended use.

Donation other than those related to specific projects and operating fixed assets are recognized as Income on Receipt.

Income on Investment is recognized on time proportion basis taking into account the implicit rate of return on investments.

### 3.13

#### Expenditure

Expenses are recorded when incurred.

### 3.14

#### Taxation

No provision for tax has been recognized in the financial statements, after taking into account the 100% Tax Credit available to the Trust against its Income, under sections 100C of the Income Tax Ordinance 2001.
